

WELCOME TO NOGEYAMA ZOO

Nogeyama Zoological Gardens of YOKOHAMA was opened on April 1 in 1951. The zoo is home of popular zoo animals like giraffes and lions, and also of reptiles and birds. Visitors can observe the bodies and motions of animals by seeing them from a short distance. The size of the zoo is moderate. It allows all the people of all ages to walk around to see the animals easily. We hope you have a good time in Nogeyama Zoo.

※Animals and this location are changeable.
